SUBSPECIALTY CONTINUING CERTIFICATION EXAMINATION IN CONSULTATION-LIAISON PSYCHIATRY

The American Board of Psychiatry and Neurology, Inc. (ABPN) is a not-for-profit corporation dedicated to serving the public interest and the professions of psychiatry and neurology by promoting excellence in practice through certification and continuing certification processes.

The ABPN designs and develops the consultation-liaison psychiatry continuing certification examination to assess the knowledge and reasoning skills needed to provide high quality patient care in the broad domain of the subspecialty.

Candidates should use the detailed content outline as a guide to prepare for the examination. Please note that no single examination tests everything on the content outline.

For more information, please contact us at questions@abpn.org or visit our website at www.abpn.org.
